

AC•Tech Applicator Training Registration Form

Reputation is Based on Performance. Yours and Ours. Join our Recommended Network of Approved AC•Tech Applicators.

AC•Tech specialty coatings are backed by a 15 year labor and material warranty. We can stand behind that warranty because 1) we have products that truly perform, 2) we provide technical support during all phases of a project's execution, and 3) we work exclusively through a network of recommended applicators who have earned AC•Tech "approval" by completing our comprehensive training program.

We do not cut corners. We do not leave our customers hanging. We believe in building long-term business relationships in which everyone succeeds.

Each attendee should register individually. Please complete this form with the Full Name and Business Information as you want it to appear on the Certificate of Completion and in the AC•Tech Approved Applicator database.

First Name _____ Last Name _____
