Attitude is a Key

When you use AC•TECH, you are trusting us with your reputation, your business, and the long term performance of your project.

Problems happen. We all know that.

It's the **response to problems** that makes the difference between long-term success and failure.

So, when you use our epoxy primers, we want you to know we are in this with you for the long haul.

Please **TEST** the capability **and ATTITUDE** of our Tech Team prior to purchasing any AC•TECH products. We want to demonstrate to you that we are not just another product manufacturer.

We can offer you the hands-on experience to identify and resolve unforeseen problems with the concrete substrate.

You can contact us pretty much any time by mobile, text message, email, or video call for problems that need quick analysis and immediate resolution.

We support YOUR Success by

- ▲ Taking Alkalinity and Moisture completely out of your project equation.
- ▲ Offering a product that has a proven track record -- longer than its 15-year warranty.
- ▲ Providing the technical support you need ... when and how you need it.
- ▲ Making you FASTER, LEANER, and MORE PROFITABLE
